

Sugar Creek Bible Camp Delegates

Congratulations on stepping up as a Delegate for Sugar Creek Bible Camp! This is an awesome opportunity for you to lead your congregation's ministry at the camp. You bring your own special gifts to the table and help others share theirs, too. With the backing of all those who love this beautiful valley, you can trust that God will be working in and through you. May God bless you in your calling as a Sugar Creek Delegate!

Responsibilities and Opportunities

- Promote Sugar Creek Bible Camp programs and events in congregational bulletins, newsletters, announcements, bulletin boards, and social media.

- Demonstrate and inspire others in stewardship of time, talent, and treasures.
- Share your church's impressions, ideas, and needs with Sugar Creek. Your Sugar Creek staff can help!
- Pray for your ministry and its leaders.

Involvement Cards

This year, the Sugar Creek Bible Camp Staff and Board want to hear what motivates you to be a Delegate! Check out the back for more info and fill out your involvement card. Once you're done, take a little time to think about the boxes you did not mark. Who in your community could help with this important work? Invite them to fill out an involvement card and send it back to Sugar Creek!
