Did you inquire about campership opportunities through your church?		

We want your child to be able to come to camp! In order to meet the registration fee, we look for a partnership between your family, your church and Sugar Creek. We ask that the family contribute as much as they can, whatever amount that may be. We first look for the congregation, and organizations within the congregation, to supplement your family's contribution, if such funds are available. **Sugar Creek Bible Camp will then provide the balance of the registration fee.**

Camp Discounts

Sibling Discount-Families with three or more children attending camp can receive a discount. Receive a 50% discount from the Tier 1 pricing (\$695) for the third or more sibling. Sibling discounts can be requested during online registration.

Campership Procedures

1. At Sugar Creek we work to *help every camper* to have the opportunity to come to camp. We view this process as a partnership between the family, congregation, and the camp.
2. **To help our limited Campership resources assist as many campers as possible** we ask that both the family and the congregation *contribute as much as they can* toward the Program Fee. Award amounts are based on financial need. Camperships are limited to one session per camper.
3. **To process Campership Requests, a Camper Registration Form and a deposit are required. This can be completed through the online system or by mail.**
4. The minimum deposit for Campership requests is \$100. If it is not possible for your family to pay the deposit, please call us at: 608-734-3113 and we will work with you.
5. All Campership Requests must be submitted and approved prior to your child's week of camp. We are not able to honor requests for Camperships once campers have arrived at camp.
6. Once completed please mail campership request and registration(s) to:
